

ELSP Term 3 programme

Tuesday, 19 July	Session 12: Paragraph structure 1 In this workshop students will read and analyse a paragraph; understand the function of the topic sentence and paragraph structure; and use their knowledge of paragraph structure in the production of a paragraph.
Tuesday, 26 July	Session 13: Formal language Learn more about academic style by recognising the differences between formal and informal language.
Tuesday, 2 August	Session 14: Active and passive In this session we will learn to identify active / passive voice and how and when to use these in academic writing.
Tuesday, 9 August	Session 15: Prepositions and collocations Learn how to find appropriate prepositions. Practise using a collocation dictionary.
Tuesday, 16 August	Session 16: Parallel sentence structures Parallel sentence structures are common in academic writing but can be difficult to spot if they contain mistakes. In this workshop you will learn to recognise different types of parallel structure, practise proofreading increasingly complex examples and learn how to make your meaning clearer by highlighting parallelism.
Tuesday, 23 August	Session 17: Demonstratives Learn how to use demonstratives (e.g. this, these) to develop flow in your writing.
